OUR COMPANY VISION & MISSION

Our Vision

We have a doubtless vision of being recognized as one of the leading contracting companies in the region by playing an outstanding role in the building and contracting industry of the KSA, and to contribute to the development of the communities residing within. We intend to become the key player and leader in construction in KSA.

Our Mission

Our mission is to strengthen our reputation for flawless integrity, complete excellence and thorough experience as one of the most reliable building and contracting company in the KSA. We seek to do so by continuously improving the quality of our services and jobs, and by exceeding our client's expectations. We aim to provide our employees with a challenging secure and safe environment in which they can pursue their career goals.

Our Values

At BSCO Contracting, we set ourselves apart from our competitors by providing a good quality and services to our clients. Our establishment is built on and operates by our core values and we look for employees who possess these same values.

CHAIRMAN'S MESSAGE

We take pride in being one of the best engineering and contracting firms in Saudi Arabia having achieved remarkable growth and contributing significantly to the development of Saudi Arabia. The Establishment has attained prominence as a leader in the field of Civil works (Development & Operation of Industrial City; General Contractor Specialized in all Infrastructure works, Electrical works HV, MV & LV, Street Lights, Telecommunication, Civil and Mechanical Works, Water and Waste Water Treatment, Irrigation, Road Works, Landscapes, Manpower Services & Equipment's Rental) through competence, competitiveness and timely delivery with highest quality standards and recognized safety performance. We have a long tradition of serving our valued customers to their complete satisfaction through efficient management and excellent workmanship, which we continue to maintain with our untiring efforts. In an era of advanced technologies and new techniques, we continuously strive for innovation and enhanced efficiency. BSCO is the preferred choice of many clients because of its reliability and commitment to quality and safety. As we look to the years ahead, we renew our pledge to remain committed to excellence, keep abreast of changes and innovations, adopt better management and construction techniques and successfully overcome all challenges before us. Our work to protect and sustain the environment in which we all share; our pioneering technology and innovation to build a better future; the high quality we offer to our customers. We are striving to sustain and build on the remarkable success, which we have enjoyed since BSCO's launch. Our focus then and now is to challenge the status quo; working proactively with our customers to find the best solutions and applications to assure 'sustainable' long term relationships These are exciting times for BSCO and we think you will get a sense of our passion, expertise, reliability, and innovative nature as you browse through this profile.

Bader Salem AlAbbas
